

What is The Enterprise?

The Enterprise is a member-based, non-profit organization in Douglas, Wyoming, dedicated to the enrichment of Douglas and Converse County. Our main objective is to attract and retain primary jobs in the area, facilitate the expansion and development of new and existing businesses, enhance our area quality of life and place an emphasis on historic preservation.

The Enterprise was formed in 2016 through the collaborative merger of CANDO, Main Street Douglas, the Douglas Area Chamber of Commerce and the Converse County Visitor Center. The individual roles of the former entities are now managed through **The Enterprise**, allowing the community to align resources, reduce redundant programs, decrease costs and improve marketing efforts.

Enhancing the overall health and vitality of a community requires a great deal of effort. Specifically, it takes a network of “community first” people and organizations dedicated to the cause. Your **Enterprise** membership dues help to fund community events, business enhancement, historical preservation and economic development in Douglas and Converse County. Just as importantly, your ideas and expertise, your passion and your participation are the fuels that enable **The Enterprise** to make a positive difference in our community.

A rising tide floats all ships. But that tide doesn't just rise on its own; it is planned by people aligned with the same vision and goals — **people like you.**
